

## Deer-Come-Here!™ 100% Natural Deer & Wild Turkey Attractant

### Description

Deer-Come-Here™, 100% Natural Deer Attractant Spray, lures deer to you! Based on a secret mix that has been handed down over the years - it gets the deer's attention with an enticing pleasant, nutty aroma that they love! It is unequaled at both luring deer and masking the human scent. Since Deer-Come-Here™ does not rely on pheromones or salt licks it works where and when you need it in any season. Plus, the attraction works equally well for bucks, does, and even wild turkey! Easy to use - simply spray it on branches and surroundings. A handy pump spray bottle fits in your pocket and is ready to go to the field. Larger trigger sprayers and refills are also offered. Deer-Come-Here™ is completely safe to handle, biodegradable and friendly to the environment leaving no residue. Deer-Come-Here™ is made in the U.S.A. from components produced by American family farmers.
